**Q: My husband and I are both finally retired, and we have a lot of travel in our RV planned for this summer! Will our Medicare coverage travel with us?**

**A:** With Original Medicare, you can travel anywhere in the U.S. and its territories and get the medical care you need from almost any doctor or hospital. This includes all 50 states, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands.

Keep in mind that Medicare generally doesn't cover health care while you're traveling outside the U.S. There are some exceptions.

## **Medicare Advantage Plans**

If you have a Medicare Advantage Plan, your plan may not cover your care while you travel within the United States unless you need emergency or urgent

care. If your plan does allow you to see providers that are outside of your network or area, you will usually need to pay more for the care (except for emergency care). You may also need to follow other plan rules like obtaining prior authorization (except for emergency and urgent care).

Contact your plan to see what rules and costs apply when you travel within the United States.

## **Medigap Plans**

A Medigap (Medicare Supplement) Plan may offer additional coverage for health care services or supplies that you get outside the U.S.

Standard Medigap Plans C, D, F, G, M, and N provide foreign travel emergency health care coverage when you travel outside of the U.S.

Plans E, H, I, and J are no longer for sale, but if you bought one before June 1, 2010 you may keep it. All of

these plans also provide foreign travel emergency health care coverage when you travel outside the U.S.

Medigap Plans C, D, E, F, G, H, I, J, M, and N pay 80% of the billed charges for certain medically necessary emergency care outside of the U.S. after you meet a \$250 deductible for the year. These Medigap policies cover foreign travel emergency care if it begins during the first 60 days of your trip and if Medicare doesn't otherwise cover the care.

Foreign travel emergency coverage with Medigap policies has a lifetime limit of \$50,000.
